Chapter 1 by .

My name is Theodore Maguire. I am secretly dating the the princess of my kingdom, Sanora. The princesses name is Rina Janay and she is next in line for the throne. You may be wondering why the future queen is dating a peasant like me. I can assure you will find out soon enough, but not right now.

Right now i shall tell you my story.

when i was a small child my mother fell ill and my father was a drunk. One day when mother was asleep, father brought home a young maiden. Her name was Arana and she was 16. And father was 41. Disgusting, I know. Father had slept with Arana that day and mother had no clue. 3 weeks later mother had to travel across the country to get the treatment she needed and Arana came to stay with us. Father and Arana were in love.

I hated Arana.

I missed mother. She was supposed to be gone for a week.

8 days later a letter was given to my father early in the morning explaining why mother wasn't coming back. Father read the letter then ripped it into pieces. But not so much that i couldn't piece it back together.

The letter read:

'Lucas, know about that woman you have been sleeping with. I am not coming back. I deserve someone better. I have asked some local villagers to come back and collect my darling Theo.

Have him ready for 6 o'clock on Monday

Today was Monday. I doubt if father would have been back. But knowing him he would have locked me in the basement. I was out with friends. I was out with friends.
